Description

Good early to mid 19th century Dutch marble topped flame mahogany console table of a lovely neat size. One of the pleasing features of this particular Dutch console table is that it has a drawer to the front which most do not. The drawer is of dovetailed construction and is fully oak lined, it has a recessed handle grip underneath to open it. The black marble top is in very good condition with no issues. The table is a nice design with scroll front legs terminating with carved lion paw feet. The table is in good condition with no repairs that I can see. Nice original colour and patination with a waxed finish. SIZE; 28" wide by 16 1/2" deep by 33 1/2" high CIRCA; 1830 - 1840
