Description

A most interesting and highly unusual longcase clock of small proportions. The pagoda top with Ball and spike finials containing an arched brass dial eight day movement. A bird in flight moves to and fro in sync with the swing of the pendulum, adding further interest to this very unusual clock. The chapter ring with Roman and Arabic numerals the matted centre engraved Francis Halls London within spandrels. This clock comes straight from a property and is untouched, it provides a unique opportunity for an enthusiast / collector to improve to their own standard.
