Description

An attractive and rustic antique pitch pine bench. The antique pitch pine bench is of simple form and has a single plank seat. The long pitch pine bench is raised on two shaped legs. Good colour, great characteristics and charm throughout. Item Ref; M-4029 . DIMENSIONS: Height – 36.5cm / Width – 247cm / Depth – 27.5cm .
CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents throughout the bench including the surface top and legs (pictured), however these flaws don't affect the overall integrity of the product and only adds to its character and charm. There are very minor signs of historic woodworm throughout, however this is now long gone and has been fully treated as a precaution. The Victorian pitch pine bench remains structurally solid and sound. Overall, a good rustic example.
