Description

Unusual country made or vernacular revolving desk chair c.1870. Sturdy construction in solid walnut. Curving backrest and shaped arms with flared and scrolling terminals over a thick circular seat (seat height 21½") in two pieces. Revolving on a circular base with a deep apron and four good strong legs, slightly flared for stability. Simple design, the seat being held on the base with just a single peg at the centre. Very good condition, old repairs to the arm supports, cleaned and waxed in our workshops. Dimensions: Width 22" Height 40" Depth 19".
