

SA917029

Carved wooden desk seal

Price

Sold

Item Reference: SA917029

Date of manufacture: 1900

Description

A late 19th century intricately carved wooden seal. Possibly Black Forest. The carving is deep and extremely well done. There are two small areas of loss, but hardly noticeable see pictures 2 & 3. The seal on the end is brass and carved with two gothic initials. Lovely colour and patination. L 11 cm W 4 cm W seal 2.5 cm
