Description

This Sheraton Revival mahogany table dates from the late 1800s and has a lovely warm mellow appearance. Clearly well thought of it is in very tidy original condition. When open it is of course oval as can be seen in the pictures and shuts down to just 55 cms when closed. It has a bow fronted drawer on one and with the original oval plate handles. The inlaid tapering leg has a brass, original again, cup castor. This classic English occasional table is in the pembroke fashion and offers good versatility, could even be used as a small dining table for one or two. A nice quality item at a very sensible price of only £260. give us a call to discuss 01565 874075
