Description

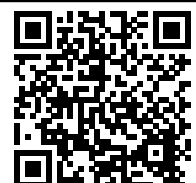

A beautiful and interesting antique mirror made from clear and peach bevelled glass. This was made in England, it dates from around the 1930's period. It is from the Art Deco period and is an interesting mix of styles. The peach and clear glass combination was mostly used in typical Art Deco modernist mirrors of the period & this one has a more traditional twist. It is a great size, quite large, tall and slim. It is in excellent condition for its age, with only some extremely minor wear here and there. Width - 18 inches , 46 cm Depth - 1.5 inches , 3 cm Height - 45 inches , 114 cm
