Description

A well proportioned 18th century antique oak mule chest. The antique oak mule chest has a two panelled hinged lid that opens to reveal a large, spacious interior. The antique oak mule chest also features a four panel front with two drawers below, each with brass swan neck handles. Raised on stile feet. Lovely colour and grain throughout. Item Ref; M-3200 . DIMENSIONS: Height – 85.5cm / Width – 130.5cm / Depth – 60cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, dents and shrinkage to the top, front and sides (pictured). There is a patch repair (pictured) to the front of the chest, also a split to the left side (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak mule chest remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
