Description

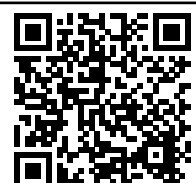

A charming small antique Victorian nursing chair or bedroom chair in walnut dating from circa 1870. A good quality chair with good frame, it stands on turned and fluted legs to the front, all four legs with brass and pot castors. It has been recently reupholstered, with button back, with a few marks and slight wear but otherwise good. A low slung chair that would make a wonderful bedroom chair or dressing table chair.

Construction/Wood: walnut Condition Report: In good solid condition. The upholstery is quite new (a few small marks and slight wear). General wear and marks to the frame commensurate with age. The front castors are good quality replacements. Dimensions: Height: 90cm Height to Seat: 37cm Width: 60cm Depth: 65cm
