Description

Antique Oriental Japanese large fine quality bronze bowl planter jardinière Meiji Period C1880. Suiban Ikebana art. Suitable for flower arrangement or bonsai art. Lost wax technique with maker's/artist's mark on the base. Would look amazing in the right location and make a fabulous centre piece. Great colour and patina. Overall maximum dimensions: 39cm long (42cm including handles) x 25cm wide x 14cm high (internally 35cm long x 21cm deep x 8.5cm high). Weighs approximately 6kg. In very good antique condition, with minor historic knocks and marks as is typical, nothing bad. Probably not watertight, so should be used with a liner. Stock No. 8241. 30-day no-quibble money-back guarantee. Competitive UK and overseas door to door shipping.
