Description

Antique Oriental Japanese large fine quality bronze bowl planter jardinière Meiji Period C1880. Suiban Ikebana art. Suitable for flower arrangement or bonsai art. Lost wax technique with maker's/artist's mark on the base. Would look amazing in the right location and make a fabulous centre piece. Great colour and patina. Overall maximum dimensions: 46cm long (51cm including handles) x 31cm wide x 13.5cm high (internally 42cm long x 27cm deep x 10cm high). Weighs approximately 7kg. In very good antique condition, with minor historic knocks and marks as is typical, nothing bad. Probably not watertight, so should be used with a liner. Stock No. 8239. 30-day no-quibble money-back guarantee. Competitive UK and overseas door to door shipping.
