**Item Reference: SA918012**

**Date of manufacture: Victorian**

Dimensions

Height = 44 cm (17.3")

Depth = 18 cm (7.1")

## Description

A rare superb quality skeleton clock, surmounted by a bell over a twin fusee eight day movement striking the full hours on a bell. The dial inscribed JAS WEST BOLTON. The whole clock is in superb condition with a heavy gauge frame, and visible springs. The clock stands on a stepped marble base with the original heavy gauge glass dome. This unique piece has a repeat pull mechanism. Despite searching the Internet I can see no other with this repeat feature.
