Description

Gents 1960s Bravingtons Wetrista wrist watch. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch measures 35mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated and it is in good condition with just minor marking. The screw-on case back is stainless steel. The lens is in lovely condition. The dial is in nice original condition just a little unevenness. It is signed with the name Bravingtons Wetrista. Bravingtons was a London based retailer and jeweller, Wetrista was one of the brand names for watches sold under their name. Original hands, seconds sweep and outer minute markers. Despite the name, this watch is not waterproof and should be kept away from water and moisture. A new leather strap has been fitted. The watch comes in a new presentation box.
