Description

A wonderful set of six Edwardian spindle back dining chairs. The beautiful antique dining chairs feature a decorative spindle and leather backrest, with the leather being in its original form. The antique dining chairs have a multicoloured fabric seat that has recently been professionally reupholstered. The heavily detailed and well structured chairs are raised on chamfered and fluted legs and turned feet, with 'H' stretcher supports. A rather pleasing set of six antique dining chairs. Item Ref; M-3465 . DIMENSIONS: Height – 96cm / Seat Height - 55cm / Width – 44cm / Depth – 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches around the wooden frames and legs (pictured). There is some cracking to the back of the leather on some of the backrests (pictured). There is also a spindle missing from one of the chairs (pictured), this does not affect the overall integrity of the product (pictured). There is also minor evidence of historical woodworm, however this is now long gone and has been fully treated as a precaution. The antique dining chairs remain structurally solid.
