Description

Victorian walnut side cabinet This Victorian walnut side cabinet was made circa 1870. The cabinet maker used fine burr walnut for the surfaces and solid walnut on the wonderful turned column each end to make the turret corners. It has 3 doors, the central door with the gilt grille and a panel door to each side, that enclose adjustable shelves. The adjustable shelves give you so many options for heights you may require. This Victorian side cabinet can be used in so many places in your home, not only is it a beautiful piece of furniture it also will provide such good storage options. Imagine how lovely this will look in your home and will give you so much pleasure as you admire its quality and style. 168cms wide 66ins 46cms deep 18ins 93cms high 36 1/2ins All dimensions are approximate, whilst we take as much care as possible, we can be marginally out.
