Description

A beautiful set of six French solid sterling silver oyster forks. They are hallmarked with the French 950 standard Minevra head mark along with the makers mark of Henri Soufflot who operated in Paris from 1884 to 1910, I would date these by their style to c1890s. They have been superbly designed and are in superb condition being free from dings splits and repairs. They measure approx. 5.25 inches (13.5cms) long by almost 1 inch (2.2cms) wide and have a combined weight of 126 grams. Beautifully made examples.
