Description

A beautiful antique oak Greenman carved mantelpiece mirror. The antique oak mirror has a central rectangular shaped mirror surrounded by heavily carved detailing. The antique oak mirror has Greenman carvings to the top with a single shelf below. A rather unique mirror, perfect to be used as a centrepiece above a mantelpiece or fire. Item Ref; M-2645 . DIMENSIONS: Height - 93.5cm / Width - 122cm / Depth - 16cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and very minor stains throughout the item but this is masked quite heavily by the wood colour, grain and level of detailing. The mirror has marks, scratches and desilvering (pictured), however the glass remains intact. The antique oak mirror remains structurally solid and sound. Overall, a good example of its kind.
