Description

The large lozenge in the centre of this charming vanity-bag ('chanteh') appears to have a floral motif in the centre and around the outside, double-headed sunbirds or sundogs, symbolic guardians of the gates of Paradise. The bag is complete with its plain-weave back in horizontal bands of the colours used on the face and retains its original tassels symbolising good-luck and happiness. Size: 33cm x 36cm (13" x 14").
