Description

A good example of a solid Sterling Silver pepper shaker. It is a stylish and good quality piece on a round foot with swirling decoration and a small finial on top. It has an engraved cartouche and it weighs approximately 49g. It is clearly hallmarked for Birmingham, 1899 although the makers mark has rubbed. It is in good condition for its age. There are some faint surface marks and minor dinks but nothing detrimental. There looks like there may have been an old repair around the seam of the lid (see photo) but overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £20.
