Description

A fine example of an antique Sterling Silver photo frame. It is a stylish good quality piece with a round picture window and an ornate frame. It has been re-backed on a velvet easel and displays very well. It is clearly hallmarked for Chester, 1900 and the maker Henry Matthews. It is in good condition for its age. There are no major damages and it has been gently cleaned and polished. There is some minor wear and some faint surface marks and minor dinks here and there but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
