Description

This really is an exceptional Antique English Cigar box, although not signed must have been retailed by the world renowned Asprey of Bond Street, I have looked everywhere for a signature to no avail. Not only is the quality outstanding, the condition is superb too, when I see boxes similar to this, the Ivory trim is usually damaged and missing in places, this one is all intact. Quality shines through again when turned upside down and the Burr Cedar is even used as a border for the original central velvet pad to protect one's furniture. The interior is lined in Sycamore with two movable dividers to customise the size of the compartments. Excellent in every way, complete with a working key. Measuring 11" x 8" x 4 1/2".
