Description

A beautiful high quality solid silver box. It is marked 800 standard and test as high grade silver. I would date it to c1940s possibly Belgian. It has been superbly made with the lid being beautifully engraved the inside vibrantly gilded. It is in superb condition with the silver being free from dings splits and repairs. It measures approx. 1.75 inches (4.2cms) across by 1 inch (2.6cms) tall and weighs 24 grams. A very nicely made piece.
