Description

A joyous late 19th century Austro-Hungarian gilded solid silver pendant set with turquoise cabochons and juicy garnets and decorated with flower motifs. In typical Austro-Hungarian style the pendant has lovely detailing on the back as well as the front. The piece has a brooch fitting with a hinged clasp which folds the pin neatly down if you wish to wear it as a pendant. There are two tiny loops at the bottom edge which likely once held additional drops. Stamped with a Hungarian silver hallmark at the back. Overall in very good antique condition. The top flower has a little bit of the edge of two petals missing and one of the amethysts is a little chipped. Size: 6.8 x 3.8cm. Weight: 14.8g. FREE INTERNATIONAL SHIPPING! Apologies but we cannot ship to Germany, any orders from Germany will be cancelled and refunded.
