Description

One of my favourite carpets, I love the background colour of pale gold with the exploded 'Herati' design- normally drawn much smaller and more busily, here it has been expanded to several times normal size and given a majestic treatment. The beautifully curling light blue 'Fish' and the extra roundness to the flowers created from having more space to work with. Woven circa 1850 this is a very special carpet for its elegance and easy to live with colour combination. It will pass in a huge variety of interiors, bring style, grace and warmth. Just imagine how good it will look in your home- happy to do home trials! 14'9" x 17'1" in 'old money' :)
