Description

A fantastic antique Victorian Canterbury stand in mahogany. This was made in England, it dates from the 1860-1880 period. It is of superb quality, this is bigger and bolder than the usual models seen. It has lots of space for storing newspapers, magazines and is also very useful for storing laptops. This is nicely finished on all sides, it is designed to be a free standing item. The mahogany rails and legs are beautifully turned, this sits on original porcelain casters. We have recently had this re-polished, it is in excellent condition for its age, with just the right amount of wear and patina. Width – 24 inches , 61 cm Depth – 18 inches , 46 cm Height – 23 inches , 58 cm
