Description

Mid Oak Edwardian roll top desk of superior quality with fielded (bevelled) exterior panelling to all sides. The oak finish is lightly shaded which adds to its attraction. All the side drawers lock when the roll is closed and the interior is nicely fitted with a good assortment of pigeon holes, drawers and pen slides. An unusual feature on this particular desk is the split moulding beading on the side drawers. The French polish finish to the desk has been totally refurbished and the whole piece is in superb condition with working locks and keys. The desk breaks into three main sections which makes it easier setting up in smaller spaces. Height to Worktop - 76cm = 30 inches
