Description

This Good Quality Carved Mahogany Pie Crust Coffee Table is both stylish and extremely useful. Standing on deeply carved ball and claw feet, the shapely cabriole legs lead up to the well-defined acanthus leaf carving on the knees. The Pie Crust decorative edging to the top, is carved from the solid, rather than applied afterwards, a sure sign of quality making. Being of a good usable size, this table could be put to so many uses around the home. The Mahogany is a wonderful warm and rich hue, further helping to make this table stand out from the crowd.
