Description

Technical Description A superb set of four 19th-century Amethyst glass plates dating to around 1860 with polished pontils. Wonderful true Amethyst in colour which would make a real statement on any table. We've had a few sets of green plates over the years and even fewer blue but this is the first set of Amethyst we've had. **Date & Origin** England, c1860. Period of Victoria **Condition** Excellent, no chips cracks or restoration. Some minor loss of trailing. **Dimensions** Height: 2cm Rim diameter: 18.5cm

Internal Ref: 2022062910
