Description

These are a superb quality pair of 19th century French armchairs. The shape is classic and will always work in an interior. They are a great blank canvas for your choice of fabric. These have a softer than normal feel as I believe they have a feather down additional between the calico and horsehair which makes these extremely comfy. Measurements Height 81cm Width 77cm Depth 80cm Depth of seat 50cm Height of seat 43cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
