Description

Gents 1960s Bentima Star wrist watch. The watch has a 17-jewel Swiss hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated and it is in good condition with just minor marking, nothing serious at all. The stainless steel case back has a few surface scratches. The lens is in lovely condition. The signed dial is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
