Description

Gents 1960s Corvette wrist watch. The watch has a 17-jewel hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is chromium plated while the screw-on case back is stainless steel. The case is in lovely condition. The lens is in lovely condition. The signed dial is in its original finish, unusually shaped subsidiary seconds dial, original hands and outer minute markers. A little marking if you look very closely. A new leather strap has been fitted. The watch comes in a new presentation box.
