Description

A beautiful pair of French Opera glasses made from polished brass and Mother of Pearl or Nacre shell. The Mother of Pearl is some of the whitest I have seen, a beautiful silver colour with fine iridescent qualities. They sport an extending lorgnette handle and come with a (newer) velvet pouch to protect them. They are unmarked but undoubtedly one of the nicest pairs I have had. Excellent working order dating to c.1900. While folded, they measure 5 1/4" x 2" x 2". Item: 44081 FREE Worldwide Registered Airmail Directly From the UK
