Description

A beautiful German solid silver sugar caster or shaker. It is hallmarked for with the crescent moon and crown symbols the 800 standard mark and the makers marks B&Z. It has been superbly designed having a bulbous shape and gilded lid. It is in superb condition being free from dings splits holes and repairs. The lid fits tight having lugs so you have to twist and then pull, the inside is nice and clean. It measures approx. 6 inches (15.3cms) tall by 2.25 inches (6cms) at its widest and weighs an impressive 130 grams. A very well designed example.
