Description

A beautiful high quality Indian secret solid silver snuff or pill box. It is unmarked but tests as high grade silver and dates to c1920, the coins are earlier. It has been superbly made being made from Edwardian rupee coins so it looks like a pile of coins. It is in super condition being free from dings splits holes and repairs, the inside is clean and closes tightly, slight rim marks inside. It measures approx. 1.25 inch (3.2cms) across by over 0.75 inch (2cms) tall and weighs 42 grams. A high quality unusual piece.

Internal Ref: 28617
