Description

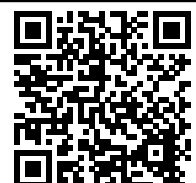

An attractive Georgian antique mahogany chest of drawers, of small proportions. The antique mahogany chest has an arrangement of four graduating drawers, each with decorative brass back plates and drop handles. Great colour and grain throughout. Item Ref; M-4201 . DIMENSIONS: Height – 87cm / Width – 80cm / Depth – 45.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor stains to the top and front (pictured), further marks and dents to the sides (pictured). The drawer fronts also have slight cracking to the veneer (pictured), and one of the feet has had an honest repair, however this doesn't affect the overall integrity of the piece. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a great example of a Georgian chest of drawers.
