Description

Outstanding and rare International Watch Company gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It has the legendary calibre 83 movement which is regarded as one of the finest movements ever made and known as the watchmakers watch, as you can see is in superb condition. The dial is in mint condition having been fully restored, the peacock blue hands and the winding crown are original. As you would expect the watch is fully marked on the dial, movement and case. The stainless steel case with beautiful teardrop lugs measures 35.5mm in diameter not including the crown which makes this an oversize model for the period. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous.
