Description

1930s Moeris half hunter pocket watch. The watch has a good quality 15-jewel stem-winding movement, signed with the Moeris logo, which is working nicely. The movement is protected by an inner hinged cover which is engraved, 'Amor Vincet Omnia, Bunny, 6-6-34'... the Latin translates as Love Conquers All. The watch measures 50mm diameter excluding the winding stem and the loop. The case is the gold filled Moon model from the English watch case manufacturer Dennisons. Dennisons supplied cases to various watch makers. There are a couple of indentations to the front cover but other than that, the case is in good condition. The winding crown pushes in to open the front cover. Inside, there is an acrylic lens which is in good condition. The dial is signed with the name of the original retailer, Muir & Sons, Glasgow. The dial is in good condition with original blued steel hands, including the special half hunter hour hand so that the time can be read when the front cover is closed. The watch comes in a new presentation box.
