Description

A wonderful pair of wooden candlesticks, always a winning combination, polished Oak and brass. Not to be confused with a simple pair of twists, these are the highly sought-after "open" twists, with two hand carved twists spiraling around each other. The highly decorative cast brass drip trays are to protect the wood from hot wax drips, the brass re-polished to gleam. 12" tall with a base diameter measuring 6". Edwardian in era, c.1900.
