Description

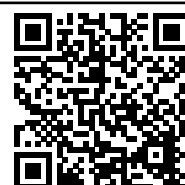

An attractive antique Windsor armchair. The antique Windsor armchair has a hoop and stick back with shaped arm supports and a solid seat. The antique Windsor armchair is raised on four turned legs, with a spindle 'H' stretcher support. Amazing grain and colour throughout. Item Ref; M-4202 . DIMENSIONS: Height – 95.5cm / Width – 63cm / Depth – 58cm / Seat Height - 43cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and fading to the seat and armrests (pictured). There are age-related splits to two of the legs (pictured), also an honest repair to the armrests (pictured). There is evidence of historical woodworm, however this is now long gone and has been fully treated as a precaution. There are also minor losses and chips to the top, however the antique Windsor armchair remains structurally solid and sound. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the descriptio...
