Description

This French Walnut Cabinet is extremely versatile and can be used for a number of different purposes. With two open display shelves to the base, coupled with a two-door cabinet, it offers a decent size area for storage. The Walnut has mellowed to a beautiful warm colour that would work in so many home decors. The doors open to reveal a cupboard with divisions, that handily are the right size to organize bottles of your favourite tipple, making this a very decorative drinks cabinet if required. The carving on the doors, along with elsewhere on the piece, is very crisply defined and exquisitely detailed. Fine detailing to the brassware adds further interest to the piece. Combining style along with useability this piece could be used in many areas of the home. Supplied with working key. Circa 1920 Dimensions Width 20½in/52cm Depth 14in/35cm Height 49½in/126cm
