Depth = 44 cm (17.3")

## Description

Original Antique "SENTRY SAFE" Fully Restored Luxury safe. A rare Sentry safe in a stunning fully restored working condition. We bring to you this very rare excellent condition "Sentry Safe" patent steel safe made by the maker Safes LTD of West Bromwich in around C1930. This fantastic quality and very secure safe is truly a museum piece and has had no expense spared in its 'nut & bolt' full restoration completely carried out in house by Lincoln Restorations. This lovely safe features original specification Green paintwork completely colour matched to the original colours and design. The paintwork is single stage paint (not lacquered) exactly as it would have been originally. The safe is complemented by the ornate traditionally hand-painted cream coloured coach lines which elegantly frames the door exactly as it would have been. We have pictures of the before restoration available at request if interested. This safe has been fully restored from bare metal, having been stripped and finished to ensure the highest quality refurbishment possible. The lovely original brasswork has then been highly polished. This safe features its manufacturer's polished brass plaque of "SEN..."
