Description

Fabulous quality Victorian card/ games table in stunning rosewood. It's wonderful grained top rotates to reveal a hidden storage recess with plenty of room inside to store the cards, games, etc and folds over to reveal a green baize games surface. The baize is a bit worn and has some historical marks however this only adds to its charm. It's beautifully carved frieze is supported on a beautifully turned column with carved base, finishing on a qua-trefoil base with carved scrolled feet with original castors. The superb quality and condition shows high craftsmanship and would look stunning in any home.
