Description

For your consideration is this very stylish large copper coloured glass & chrome frame Art Deco Clock. Remarkable condition for it's age is this totally authentic 1930s Art Deco style mirror clock which originates from England. Made by clockmakers Temco, an amazing company with a British heritage that was in business from 1931 until 1952. On the rear is a bakelite combined handset and starting knob. Lovely condition. Synchronous motor with black cable and three pin UK plug. This is a heavy and substantial clock. Weight: 2.1kgs Voltage: 240volts Offered with Free UK mainland Delivery BIO Production of Temco synchronous clocks appears to have started in about 1931 and ended some time after 1952. TMC had several factories, in Britain and abroad. In 1937 Temco clocks were being manufactured at their main factory in Dulwich, London, UK.
