Description

A beautiful antique French console table with a marble top. This dates from around the 1930's. It is of excellent quality, the frame is elegant and sturdy, with high quality gilt bronze ormolu mounts. The marble top sits loose on the base, it has a gorgeous colour and amazing patterns. We have had the frame recently re-polished, it is in excellent overall condition. The marble top has a couple of extremely shallow chips to the edge on one side, darkened with age and hardly noticeable at all.
