A large, gorgeous original George III period dressing mirror in mahogany. This was made in England, it dates from around 1790 period. It is a great size, large and impressive, this was designed to sit on top of a chest of drawers or dressing table. The quality is amazing, the base has a serpentine shaped front with three drawers, and Corinthian columns carved into the corners above the bracket feet. The mirror can be tilted and removed, the back is also nicely polished. We have had this completely re-polished, the condition is excellent for its age.
