Description

Beautiful Art Deco French Sculpture Clock - Marble Plinth - c1930 This is a stunning original French Art Deco period clock in exceptional order. The piece is large and exquisitely detailed with gorgeous lambs in spelter bronze. The clock face is stylish and so very representative of the Art Deco period. Sitting upon an attractive marble plinth this whole piece is in very fine order. The clock is in working order and there is no damage to the item save for a few miniscule nicks to the edge of the marble corners - you have to look hard to see them and it certainly is not unexpected on a piece of this type and does not detract from the visual appeal. Overall an exceptional piece in very fine condition, which will grace any location. The size and colour are just perfect.
