Description

Gorgeous Vintage Travel Trunk - Leather - English Made A fabulous English made trunk in superb condition. This trunk will make an exceptional display or utility piece either in the home or perhaps a retail environment. It certainly would be fun to use as luggage and become a real talking point. The trunk has a wonderful colour and the interior is in superb order - including the fabulous star shaped small item retainer. The trunk has the original makers labels and the image below shows an almost identical trunk being used in WM Insall & Sons advertising campaign at the turn of the century. The lock functions correctly and all the straps are all excellent. There is a marking of AEF over the top in faint white - we opted to leave it in place but it could be polished out if required. Great vintage item - Rare in such fine order - A beautiful thing to own This item comes with our 100% satisfaction guarantee. Our aim is to provide the best of the best.
