Description

Antique silver Election wrist watch, 1924. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The movement is signed Election, a brand name registered by Les Fils de L. Brunswick in 1915. The watch measures 29mm wide excluding the winding crown and 29mm high excluding the fixed wire lugs. The case is silver and there are hallmarks inside the case back for Glasgow (import mark), 1924. The case is in lovely condition for such an early piece with just the odd minor mark, nothing serious at all. The lens is in good condition. The enamel dial has its original hands although the painted detail has been removed from them and also the numbers at some stage, probably because of the radium content. There are a few hairline cracks but they are faint. The watch has a vintage leather strap. The watch comes in a new presentation box.
