Description

An exceptionally fine solid silver toast rack. Unusually designed with a lovely shaped handle, the rack has 4 compartments and sits nicely level on a good solid rectangular base, supported on four neat ball feet, all culminating in what is a most aesthetically pleasing item. The compartments that fit the toast vary in width between 1.5cm and 2cm. Made from good heavy gauge silver it feels a really nice weight when picked up by the handle. Clearly defined hallmarks can be seen on the underneath for the Birmingham Assay Office with a date mark of 1891 and Lion Passant indicating sterling silver, along with the maker's marks for the silversmiths: Hirons & Plante. A super toast rack, would make a great wedding gift! Condition: This toast rack is in great condition.
