Description

Antique silver Waltham pocket watch, 1928. The watch has a seven jewel stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number, 25025023, which dates it back to 1925. The movement is protected by an inner hinged cover. The watch measures 49mm diameter excluding the winding stem and the loop. The case is silver and there are Birmingham hallmarks inside the two back covers for 1928 with the case makers mark for the Dennison Watch Case Company. The case has engine turned detail to the back, together with a central vacant cartouche. The case has light surface marking and some wear to the engine turned detail on the back. The case back has mild bruising from use. The lens is glass and is in nice condition. The dial is in nice condition with only a faint hairline crack under the sub seconds dial. The watch has its original blued steel hands. The watch comes in a new presentation box.
